Respecting the privacy of our parishioners, St.

**Seeking 100** In preparation for our 100<sup>th</sup> anniversary in 2010, Maronite families in other Churches should be counted. Names of Maronites who attend other churches should be called into the Church office. Finally, two families have sent names in!!

I believe there are 100 more names out there of Maronites who are registered in other Churches, as well as 100 Maronites who could be more active in our community.
